

13 Norham Gardens.

W.O. to J. George Adami.
18.xii.18.

(hand-written)

Dear Adami,

You must have put in a lot of heavy work to get the necessary calories for that book.* I am delighted that you have done it so promptly and the profession in Canada will appreciate your labour of love. I wish you had put a picture of Jones - and then he is so good-looking! Do give us a week-end after the New Year. There are many things I want to talk over with you. Norman George is here on leave - laid up for a few days with a mild arthritic purpura. Billy Francis is so much better - he comes for week-ends. I saw Allbutt yesterday at a W.O. meeting. So alert and well.

Yours ever,
Wm. Osler.
