(Dec. 30, 1918)

Dear Strong

Greetings & best wishes to you both for 1919.

Pasteur: I have the 1) Etudes sur le Viën, 1866 (2) Etudes sur le Bierè 1876, (3) Mal. Vers Soie 1870 (4) Recherches sur la disymetrie moleculaire & 1860 I would like the English Trans. you mention and the 4 in p.2 The first fermentation paper was at the Lille Scientific Society Aug. 1857 - & three months later at the Académie des Sciences - These are the papers I want badly. I do not know whether the Lille Sec. Society published a Compte.Rendu - probably did so.

Pave Yes French edition '72 I lack, I have the 1st Latin

Lamarck Philosophie Biologique 1809 1st ed.

Clemenceau Yes I should like the 2nd ed.

Pascal Any of the early scientific papers

Lavoisier " " " " " " " *Have the big Natural Edition.*

Lady Osler sends love

Yours ever,
