Dear Garrison:

The enclosed may not be in the S. G. L. - if it is pass it on to C.P. Phila, two copies were in a bundle of pamphlets. Spalding was an interesting man - whose ~~life~~ I have just been reading. I've been hoping to see you - do come over if you can. There are so many things I would like to talk with you about.

Best wishes for 1919.

Yours,

Wm Osler.
