Dear Adami,

Do go to Barrett's* lecture on Monday, R.S.M., 5 p.m. on V.D. in Egypt. He is a good man.

Klotz would be just the fellow to make a study of the whole question. Worthin's figures seem excessive.

How sad about Peterson - such a tragedy to have aphasia and to retain consciousness.

Hope to see you at lunch in Monday.

Yours, Wm. Osler.
