

CUS417/127.33

13 Norham Gardens.

W.O. to J. George Adami.  
29.1.19.

(p.c. hand-written)

*Malcolm Cairnes*

I wish the N.C. would take it! We have no organization and only wish to reform the N.C. Your paper would make a good campaign Doc. Would the Faculty of Insurn. take it? See Times, V.D. discussion to-day.

To the 'Policy of Ostrich' you should add "in V.D.". A title should always be indicated. Your pamphlet 10 years hence will be in Zoological catalogue under Ostrich!
