(To Dr. Maude Abbott)

From the Regius Professor of Medicine, Oxford

3rd February, 1919.

Dear Dr. Abbott:

Enclosed cheque for '18 and '19.* What splendid work you have done, and the publications must have been very helpful.

All well here: Major Francis comes for each week-end, and likes his work so much. We are so distressed about Sir William Peterson. (In handwriting): Enclosed also a C.M.A. sub

Greetings from Lady Osler

Sincerely yours,

W^m Osler
