

Feb. 3.  
CUS 417/127.58

Dear Spielmann,

I am sending your memo on to Cushing at Liverpool...  
Cushing is perfectly fascinated by your Vésal iconography.  
Do you not think it should be published in English?...  
C. suggests that I should write to Heger asking if they had  
any objections. It's a sort of book we should take at the  
Press, I should hope.

re

Vesalius.
