

From Miss Swank's note book.

Feb. 12. [1919] Dr. W. G. Ricker-

CUS 917/127.97

To Dr. W. G. Ricker, St. Johnsbury, Vermont.

So sorry impossible. There is no chance of my getting away this year. I regret it extremely as my relations with the profession were in the old days very intimate. We have seen a great many of the Hopkins men here within the past year - they have all done well.

With greetings to you all.
