"Dear N. K.

Thanks for the Reprints - all
very interesting. When do you
return? I hope by way of England.

Give my love to your Wife.

Sincerely Yours,

Wm Osler"

This is one of several written me
at Treport, As with all the other medical
units, I presume, Sir William was always
most hospitable & ready to help, ^{us} not only on
visits to England, but while at our base in France.
