(Letter to Dr. Richard P. Strong)
(typewritten)

7th March, 1919.

13, NORHAM GARDENS,
OXFORD.

Dear Strong,

You will have had Lady Osler's letter. It is with the greatest regret that I have to decline. I must get on with the text-book, and in May the Classical Association meets here, of which I am the President, and my Address is not yet completed. It would have been such a pleasure to have had a few weeks with you in Cannes.

Love to Mrs. Strong.

Sincerely yours,

WM OSLER
