To Dr. Kelynack. Mes. N.

Tubercu-
losis
Conference.

You see what a broken reed I am! I have not even got that note ready for you about chronic Tb. What a forgiving soul to ask me to preside at the Conference! It's a bad week for me as the Examiners are here, but as finish on Friday evening, I could preside ~~at the Conference~~ on Friday-evening Saturday, the 28th. [same]
