To Dr. A. S. MacNalty, Local Gov. Board

Enceph-
alitis.

Dr. Mac Send me an encephalitis blue book - I have seen a few cases lately. I wonder whether *Bradford* has got hold of the right thing - it seems almost too good to be true... I have had a pleo-polymorphic-cocco-bacterio-bacillary-upper-respiratory-passage infection lately. I have had all I can do to keep it from reaching my grey cortex through the cribiform plate. ✓
