Col. W.H. Welch, Amer. Red Cross Com., Cannes.

Red Cross. I do hope you are returning by way of England as we should like so much to see you, and come out to us at once.

I was very disappointed not to be able to get to Cannes, but I have so many things on hand that it was impossible.

We are following your procedures with great interest - it looks as if you would do much good. We have had such nice reports from Baltimore about the way in which you introduced the subject of the Library and the Club. (Tudor & Stuart Club)?
