Amer. Univ.
Union
and
P.-G.
scheme.

To G.E. MacLean, Esq., Amer. Univ. Union in Europe. ✓
Yes, do cable the Trustees of how much importance
I think this scheme is for the overseas students. Some
such words as the following - "Most important to have Union
and home in London for American and Dominion students,"
with which I hope may be included our medical P.-g. Associa-
tion. You will receive a notice to attend a meeting on
April 29 of our Post-graduate Medical Assoc. at which I
hope you will be able to say a few words. It would be
much better to have one big Union with separate departments
and it would do the medical men good to have fellowship
with the other students.
