Dear Adami,

We had a most successful meeting about the P.G. scheme. Birkett represented the School, and spoke very well.

It was a surprise to me to hear that your name had never been put up at the Athenaeum: I did it yesterday and have asked Allbutt to second you. Under Rule ii, as perhaps you know, the Committee elects six men every year out of turn - you would be certain to come under this within a year or 18 months. It takes some time as there is a good deal of competition for admission under Rule ii. When were you last a temporary member - since you have been over here this time?

Sincerely yours,
Wm. Osler.
