Sunday April 27th
['79]

--- Sir William & I were going to Sidmouth
for a week but the changed sailings [Mrs Chapin's] upset
us. --- He could get no rooms [Harry Wyatt Johnston
of Montreal.]
in college or digs outside so Sir William
has given him his rooms for this term. Lucky dog!!

| --- The 70th birthday business is out, no longer a
secret. Sir William laughs - I thought he would
be furious. --- Sir William had a dinner of 25 for
Dr. Graham of Toronto on the 23rd but had a tooth
troubling him & it smelled so he couldn't go. Rolleston
presided.
