

(From Miss Smart's notebook)

(To Mrs. Reinking, Chicago)

May 7th, 1919.

May 7. CUS417/128.63

Mrs. Reinking, Chicago.

Dr.
Mortimer
Frank.

I am very distressed to hear of the death of Dr. Mortimer Frank - it's a sad loss to the profession. Do give my warmest sympathies to his family. He was so keenly interested in historical work and had done so much to stimulate interest in it that his death will be sadly felt by all who worked in that department. I hope he had finished the book on which he was engaged.
