Dear Fen.

It is nice to hear that you are doing well. I hope before long you will be at home & that you will make a rapid convalescence. I wish you could be transferred here by aeroplane to enjoy Oxford at its best. We never have had such a spring - uninterrupted sun-shine, until we begin to need rain. I will send before long my address before the Classical Association. The enclosed slip shows some of my treasures which were on exhibit at our reception. Grace keeps well. Norman & Billy Francis & Archy Malloch are all here. Norman quite well again.

Love to all

Your affec bro

Willie
