June 19th Dennis of the Royal Soc^y Club and his. Elliot Smith 46
and Keith W., Regford Dennis 142⁵ incl of Claret, Sauterne, & Pat.

13, Norham Gardens,
Oxford.
June 21, 1919.

Dear Garrison:

That's a big scheme you have got for the medical history
and it will keep your nose to the grindstone for some years.

We are beginning to make a little progress here. Your note
on the Caduceus is most interesting.

Sincerely yours,

Wm. Osler.
