**THE AMERICAN HOSPITAL IN LONDON.**

**DISTINGUISHED COMMITTEE TO BE FORMED.**

(BY OUR MEDICAL CORRESPONDENT.)

A meeting of those promoting the new American Hospital in London, an announcement of which appeared in *The Times* yesterday, will be held as soon as Lord Reading returns.

It is proposed to form an Honorary Medical Committee of distinguished American and British doctors, and it is probable that Sir Arbutnot Lane, Sir John Bland-Sutton, Sir Henry Rolleston, Sir St. Clair Thomson, Sir William Osler (Oxford), Sir Clifford Allbutt (Cambridge), Sir Robert Jones (Liverpool), and others, will be invited to represent this country. The active staff of the hospital is to consist of a number of British doctors, among whom will be Dr. Eric Pritchard, Dr. John Eyre, Dr. Knox, and Mr. Choice. The house appointments will be filled by Americans.

The secretary of the hospital is Mr. Philip Franklin, the well-known ear specialist, who is an American citizen and a Fellow of the Royal College of Surgeons. The foundation of the scheme was laid by him, and he has devoted an immense amount of work to carrying it into effect.
