

(In re American Hosp. in Gt. Britain -)

CUS417/129.29

(Script)

(To Mr. Philip Franklin, London)

13 Norham Gardens, Oxford.
16. VII. 19.

Dear Franklin

I enclose copy of letter sent to Id Reading. The type or organization is the essential feature. I will get into touch with the Ford Hospital at which one of my 'boys' has just been appointed medical chief. If this is to go it must be on new lines, advanced lines & progressive lines. But first \$ + £.s.d. & remember we are dealing with the daughter of the horse leech

Sincerely yours

W^m Osler
