Dear Chatard:

Thanks kind man, for the nice article in the July Bulletin. It was a shock to me! I had heard nothing of it. Really you good fellows overpower me with your kindness. Well - we had a very happy time together and it is a delightful memory to possess.

I stood my birthday greetings very well. The Vols. look magnificent. Allbutt presented them most charmingly. Wonderful man - 83! & looks about sixty-five.

Love to you all,

Ever yours,

Wm. Osler.

It is a great regret that we did not have you here.
