

P.C. (script) to Dr. Malloch.

Jersey,
August 13, 1919.

CUS417/129.111

Text-book - hard at it!

- (1) Look among the recent books on the nervous system for a good recent French and German manual and send me the titles.
- (2) See if there is a good article on aplasia cerebri in any of the recent manuals.

Weather wonderful - I wish you were here.

W.O.
