CUS417/129.112

(In Dr. Osler's hand-writing)

Card.

St. Brelades Bay, Jersey.

15.VIII.19

Heavenly spot--such sea and sand. I hope you and yours are well.

These questions.-

1.In revision of the T.B., would not tabes & G.P. go best under syphilis--in a section headed neuro-syphilis?

2. Tabes and G.P. in negro--have you any figures?

3. Could not the familial nervous diseases be grouped together?

Wm. O.
