Dear Mac

So glad to have your letter. I have left my affairs after my wife's death, in the Toronto General Trust Co. of which my brother is President. They will pay legacies & then privately distribute. I suppose these Trust Co's are as safe as anything.

I suppose the photograph you enclose refers to the big birthday celebration on July 12th, my 70th! They presented me with two big volumes as an anniversary memorial, at the Royal Soc. of Medicine, Sir Clifford Allbutt made the Address. I wish I had a copy of the journals to send you. I send you one of the Jr. of the Am. Med. Assoc. which has a good reproduction of a photograph recently taken.

Love to you all

Ever yours,

W^m Osler
