

Miss Marjoribanks by Mrs. Oliphant.

W. O.'s Note on Fly leaf )

" Mrs. Oliphant in Miss Marjoribanks writes from outside the ranks, and the father though a cultivated and strong man appears to owe his position in Carlingford much more to his cook than to his skill as a physician. It is a pleasant picture of a Mid-Victorian country doctor's house and surroundings."

Doctors in Fiction.

- "A Country Doctor" by Sarah Orne Jewett. Dr. Leslie.
