Mr Albert J Lee

Dear Sir

Enclosed you will find transfer in triplicate which you can sign as well as the Schedule annexed, in the presence of a witness, and then send them all to Mrs Dawes to be signed by her husband as well as herself and ask her to return all to me and I will have the dates filled in and will send to you one copy, one to Mrs Dawes and will keep one in my office for reference. To make the furniture absolutely ~~free~~ free from seizure for any of the debts of Mr Dawes your sister ought to get a Judgment of separation of property and when she has this a Deed can be made direct to her.

Yours truly

*John Hyde*
