

Dear Harry

Mr. Lemoge has given me an opportunity of writing
you this time. The fever still rages here - poor William Thomas your
old servant went off last evening of an illness of 24 hours - and
two more are dead last night - and many are unwell - Mr
Thompson and family are recovering. I had an order for
a new town of Melba on - Day 31. I have ordered that
number for the 11th no other must be. Mr. Lemoge will
be able to say whatever there is to be said. I am
Truly Yours -
