

Adhurst St Mary
Petersfield

March 22. 1899.

Dear Sir

Many thanks for
your letter, though it
brings me the disappointing
news that you are
no longer lecturing, &
I much regret the
reason -

I am writing to
order the little book
of your lectures should
be very glad if you can
put me in the way

to borrow your slides
from Professor Hoyle.

Sincerely,

Monkham Carter
