12 QUEEN STREET

ST ANDREWS

Dear Sharpe

I have sent
you a couple of
Sheldrakes, shot
on the 3rd - I think
however the record
is in the box
wherein are the
birds.

My man got
only 3 wigeon

a Couple of mallards.

one pintail and
a lot of plover
(golden + green)
while I was at
Dunipace -

But with this
hard weather
he ought to kill
some stuff -

Go back to
Harris-Brown's on

Thursday, to shoot
Friday & Saturday.

But my man
will be gunning
and may get
some good things.

Now, please let
me know exactly
what you want.

Yours truly
J. W. Cook.
