Dear Mr. Sharpe,

We enclosed are all I could
get in an eight mile walk to day.
This bloody S.W. gale which has been
blowing now for five days has quite
cleared the coast of waders.

Mr. Hewetson, Mr. A. J. March of Leeds,
myself and another, saw a snipe
Owl here on Sunday evening the
27th. It appeared an absolutely
white bird -

I go down to Eaton, Bedford on
Saturday.

Yours very truly
John Fordham

I am afraid there is nothing in the lot you will care to have
but Mark are all I could get.

Dear Mr. Sharpe

I am very sorry that I shall
not be able to be present at the
B. O. dinner & meeting,
we have not yet got rid of the
feverish influenza from the house
and I do not care to come so
far — Can you kindly
say a word for my remembrance
G. H. Carter Haigh if

necessary to do so - He is a
very good local man & has
done some good work - He
is careful to preserve all the
rare birds nesting on his estate
& is the largest landed proprietor
in Lanc next to Lord Gainsborough
& that his efforts may be of
some avail -

You will know that Götter's
book is out, I received a
copy from him

This week - Can anything be
done to obtain an English
Edition? I feel very much
disposed to make a stab -

With kind regards

Yours very truly,

Robt. Gordon

Gratulates, Ulechy

Dear Dr. Sharpe

Mr. Pearson tells
me that - you have
expressed a wish to
have a photograph

which

BRACKENBROUGH LODGE

Just like that - one as
you will see was
