

April 17th 1891.

7, Kensington Park Gardens.

London.W.

Dear Professor Rupert Jones,
I have just heard that
Mr. Kung of New York is in London
and I have written to invite him
to dine with me on Tuesday
next. If you will excuse the
short notice and are not
engaged for that evening it will
give me great pleasure if you
will join the party. We shall

dine at 7:30 o'clock.

Believe me
very sincerely yours

William Crookes.

Chemist
