Dear Sir:

Your letter of the 21st received, and I would be pleased to have you drop in and see my small collection of birds. I have had a little bad luck this year. Therefore I have not ^{the} collection that I should have. I have held off adding any more, as I expect to build my avaries in a new location this fall.

If anything happens that you do not stop, be sure that you call on Dr. Leon Patrick at Orange, as he has received most of the rare varieties shipped by the Marquis of Tavistock. I have about fifteen varieties and around one hundred and fifty in all- mostly Parrakeets.

Yours truly,

C. P. Dorman
