My dear Sir,

I have this day
sent off to the Staff
College a copy of our
Geological Model of
the World - It is
I am sorry to say
far from being a
perfect copy - In
the published Edition
there will be sections
on the Edges which
will add materially
to the value of the

work for educational
purposes - The title

+ Index of colors
also has to be added

It is intended that
these models should
be hung on the
wall where they
get a side light
+ in a slightly

sloping position.
There are several
errors in the con-
figuration of the surface
which are now being
corrected - Should you

Dear Sir.

Mr. Jordan has

forwarded me your
note of the 5th. I have
asked him to reply
to it.

The model is kept
back for corrections &
additions. It wants,
as you will have seen,

See any very glaring
blunders perhaps
you will kindly give
me a hint of them -

With kind regards
Yours very truly

a good many of the
men; & it will be
much improved of the

latter. I am showing
the survey in much greater
detail -

I hope it
will be ready very
soon. The map is
now at the engravers.

Yours very
respectfully
