shoulders.  
In regard to expressway ac-  
cidents, which can tie up traf-  
fic on the whole system, mak-  
ing it impossible for ambu-  
lances to get to the scene, Mr.  
Pollard said he is carrying on  
talks with private helicopter  
owners.  
"We are aware of the need  
and had meetings with private  
operators who are showing  
great interest," he said.  
"The service will be available  
in emergency cases and  
will be used for the same  
purpose as the ambulance  
service."  
The service will be available  
for the same purpose as the  
ambulance service.
